

The most compelling features of these watches are the exceptional Sebastian Vettel logo on the dial (EF-535SVSP), and the signature of the Formula 1 star, reproduced on the back of the case for both models. These models are supplied exclusively in this special packaging.

Stylish and assured, 24 hours a day – a promise that sporty EDIFICE watches fulfil with ease, thanks to a combination of high-quality materials and contemporary looks. Ideal for any occasion, fascinating at all times. And unbeatable value for money, too.
